

AU Bird Hall of Fame – 2012 Young Birds

The ultimate recognition of a pigeon's Young Bird racing achievement in a single season of competition is to receive the AU Young Bird Hall of Fame Award. The pigeon must clock in the top 20% in five (5) different young bird races (different dates). At least one of the races must be 250 miles or more. The mileage of the races must total 1000 miles or more. The clockings in the five (5) races must average in the top 10% or better.

The scoring is accomplished using the Universal Performance Rating (UPR) system. The best scoring pigeon is awarded the AU Young Bird Hall of Fame Award. The second best score receives the Runner Up AU Young Bird Hall of Fame Award. The next eight qualified pigeons are listed as Qualified Contenders in their order of finish.

Congratulations to the AU Young Bird Hall of Fame Class of 2012!
