

AU PRESIDENT'S CUP

The AU President's Cup award is based on the scoring of a mix of ten old bird and young bird races at multiple competition levels. This award is unique in that it showcases outstanding performance in both old bird and young bird racing, measuring a high level of loft performance. Points are scored for race position, distance and competitor's bird entry.

The American Racing Pigeon Union is proud to recognize those who have excelled and achieved the AU President's Cup award in 2001.
