

AU Bird Hall of Fame – 2011 Yearlings

The ultimate recognition of a pigeon's racing achievement through its yearling season of competition is to receive the AU Yearling Hall of Fame Award. The pigeon must clock in the top 20% of eight (8) races during its Youngbird and its Yearling seasons. At least one race must be 400 miles or more. The total mileage of the races must total 1800 airline miles or more. A minimum of three races are required from each series. The clockings in the eight races must average in the top 10% or better.

The scoring is accomplished using the Universal Performance Rating (UPR) system. The best scoring pigeon is awarded the AU Yearling Bird Hall of Fame Award. The second best score receives the Runner Up AU Yearling Bird Hall of Fame Award. The next eight qualified pigeons are listed as Qualified Contenders in their order of finish.

Congratulations to the AU Yearling Bird Hall of Fame winners Class of 2011!

AU Bird Hall of Fame – 2011 Old Birds

The ultimate recognition of a pigeon's racing achievement in Old Bird competition is to receive the AU Bird Hall of Fame Award. This is an individual bird award for performances occurring during two annual Oldbird race series. One race series must be from the current year; the second series may be from any prior single year and may include the birds' yearling oldbird series. (Ex. Current year – 2010 series + 2009 series, or 2008 series...) Note: Only race data submitted via the AU National Database beginning with the 2005 Oldbird series will be utilized for Oldbird Hall of Fame.

The scoring is accomplished using the Universal Performance Rating (UPR) system. The best scoring pigeon is awarded the AU Bird Hall of Fame Award. The second best score receives the Runner Up AU Bird Hall of Fame Award. The next eight qualified pigeons are listed as Qualified Contenders in their order of finish.

AU Hall of Fame Oldbird awards shall be given in the following distance categories:

MIDDLE DISTANCE: The pigeon must clock in the top 20% in eight (8) different races (different dates), during a two year period. Each race must be greater than 75 and less than 350 airline miles. The mileages of the eight races must total 1600 miles or more. The clockings in the eight races must average in the top 10% or better.
