

## **2014 AU BREEDER'S AWARD**

The AU Breeder's Award is designed to honor the AU members who excel at breeding and sending birds to other members to compete in special races, charity races, benefits or other races sponsored by an AU recognized organization.

Scoring is based on the UPR – Unirate system. A minimum of three qualifying races is necessary for eligibility.

Congratulations to the 2014 AU Breeder's Cup winner!

Lou Coletta – Antioch, CA

Unirate score of 0.0112

Average number of birds - 2263
