**May 9, 2017**

Please be advised that our current band manufacturer notified us today that they will charge an extra \$213 per order for ordering bands in any color other than the standard color for the year. The standard color for 2018 is green.

**This is NOT an AU increase in band prices. This is the manufacturer's increase for changing colors.**

Therefore, we are calling all members and clubs that placed orders for bands in different colors to provide the option of ordering green bands or paying for the increase, which is then passed on to the manufacturer.

This is not a change that was anticipated. We are very appreciative of the members we have talked with thus far, as all have been very understanding.
