This award was established in 2003 to recognize superior individual bird performances over the bird's lifetime. Fanciers may apply for birds that are currently flying or have since been retired.

To qualify, a bird must:

- b. There must be a minimum of five lofts competing in the race for a diploma to be awarded.
- c. Win two or more diplomas from 375 actual airline miles or greater.
Exception: For birds flown in the state of Hawaii, two or more diplomas must be from the longest possible race station.
- d. Win diplomas in two or more separate years of competition.
- e. At least one diploma must be won after January 1, 2003.
- f. Score 150 or more points.
