

AU HALL OF FAME

The ultimate recognition of a pigeon's racing achievement in a single season of competition is to receive the AU Hall of Fame Award. We honor old bird performers from the 2001 season.

In addition to a minimum requirement of three diploma-winning performances, the essential factors in the Hall of Fame scoring are race position, the number of birds in competition, and distance flown.

The award is given in both Open and Sportsman Divisions. The highest scoring pigeon in each loft category and in each division is awarded the AU Hall of Fame Award. The second highest score in each loft category and division receives the Runner Up AU Hall of Fame Award. All other qualified pigeons are listed as Qualified Contenders Open Division in their order of finish. Pigeons that are submitted in two separate loft categories will be given their highest order of finish.

Congratulations to the Old Bird Hall of Fame Class of 2001!
