

AU PRESIDENT'S CUP

The AU President's Cup award is based on the scoring of a mix of ten young bird and old bird races at multiple competition levels. This award is unique in that it showcases outstanding performance in both old bird and young bird racing, measuring a high level of loft performance. Points are scored for race position, distance and competitor's bird entry.

The American Racing Pigeon Union is proud to recognize those who have excelled and achieved the AU President's Cup award for 2004-2005.

The American Champions consists of two separate programs; one for Long Distance performances and one for All Distance. Both are scored in ten levels of loft competition. All Distance consists of a flyers best 25 races within a consecutive five-year period. Long Distance consists of a flyers best 10 races within a consecutive five-year period. The listing is historical. Once a flyer enters the Top 10 positions of a category, he will remain there until a higher score knocks him out.
