

## 2009 AU NATIONAL ACE OLD PIGEONS

### Marathon Triple Crown, Marathon Ace Pigeon, Long Distance Ace Pigeon, Ace Pigeon, All Distance Ace Pigeon, Middle Distance Ace Pigeon

The National Ace Pigeon awards are presented to individual birds performing in races within a single race series. The scoring is accomplished using the Universal Performance Rating (UPR) system.

Races at all organizational levels of competition, including specials, are eligible for National Ace Pigeon award consideration. The NDB program will automatically select the bird's best score from among the various competition levels for each day's race. Bird's Unirates are automatically optimized for each award. Birds are then ranked in their order of increasing Unirates. Smaller Unirates are better, i.e.; a 5% Unirate is better than 10%.

Final rankings are for National only. Real time interim results are posted on the AU website. The top qualifier for each award will be crowned National Ace Pigeon for that award category and will receive a certificate. The top 10 national qualifiers and the top pigeon of each sex will also receive certificates.
