

AU National Ace Pigeon Awards – 2015 Old Birds

The AU Old Bird National Ace Pigeon Awards are presented for the following distance categories: Middle Distance Ace Pigeon, Long Distance Ace Pigeon, Marathon Ace Pigeon, Marathon Triple Crown, All Distance Ace Pigeon. The National Ace Pigeon awards are presented to individual birds performing in races within a single race series.

The scoring is accomplished using the Universal Performance Rating (UPR) system. Races at all organizational levels of competition, including specials, are eligible for National Ace Pigeon Award consideration. The NDB program will automatically select the bird's best score from among the various competition levels for each day's race. Bird's Unirates are automatically optimized for each award. Birds are then ranked in their order of increasing Unirates. Smaller Unirates are better, i.e., a 5% unirate is better than 10%.

The best scoring pigeon in each distance category is awarded the AU Old Bird National Ace Pigeon Award. The second best score receives the Runner Up AU Old Bird National Ace Pigeon Award. The next eight qualified pigeons are listed as Qualified Contenders in their order of finish.

**Middle Distance Ace Pigeons –
Requirements: 4 races - each 349 miles or less - Total mileage 800+**
